About The Beauty Tech Group

The Beauty Tech Group is a global leader in the rapidly growing at-home beauty technology market. The Group encompasses three distinct, innovative and premium beauty technology brands - CurrentBody Skin, ZIIP Beauty and Tria Laser - under which it develops, manufactures and retails At-Home Beauty Devices using aesthetic technologies which have been used in professional clinics for decades. These technologies include LED light, RF, microcurrent, and laser therapies. The Group sells its products in the UK and internationally via its D2C e-commerce channels and via selected international retailers.

The Group listed on the London Stock Exchange in October 2025 under the ticker LSE: TBTG and is headquartered in Cheshire, UK.
